

CALL FOR PAPERS

DE ETHICA

A JOURNAL OF PHILOSOPHICAL, THEOLOGICAL AND APPLIED ETHICS

www.de-ethica.com

De Ethica seeks to publish scholarly works at the intersections of philosophical, theological and applied ethics. It is a fully peer-reviewed, open-access publication hosted by Linköping University Electronic Press. We are committed to making papers of high academic quality accessible to a wide audience.

We welcome submissions from all philosophical and theological traditions that advance an original thesis and a clear and concise argument. We have a particular interest in submissions that contribute to ongoing debates of cross-disciplinary relevance.

All submissions will be subjected to rigorous double-blind review. Submissions should be between 4,000 and 8,000 words in length. All submissions must be appropriately anonymized and should be accompanied by a separate file containing an abstract of 150 to 200 words and all relevant author information. For more information about layout, style, and the submission and review process, please see the Instructions for Authors: http://www.de-ethica.com/instructions_for_authors/default.asp.

De Ethica is committed to a speedy and author-friendly review process; in most cases editors will notify the authors of their decision within three months.

Please send submissions only to our assistant editor, Martin Langby (submissions@de-ethica.se). General comments or enquiries about the journal should be directed to Jenny Ehnberg (executive.editor@de-ethica.se)

De Ethica is published in cooperation with *Societas Ethica, the European Society for Research in Ethics*.
